

Interview Preparation Guide 1

Before interview day

By following these tips and preparing answers to common interview questions, you'll make a positive impression during your interview at Catholic Healthcare and increase your chances of securing a position with us.

☑ Research the company

Visit the Catholic Healthcare website to learn about our mission, values and culture. Also, follow us on Facebook, Instagram and LinkedIn to see our news and stories.

☑ Review the job description

Remind yourself of the requirements and responsibilities of the role you've applied for.

☑ Prepare your answers

Prepare answers to common interview questions and practice them with a friend or family member.

☑ Dress appropriately

First impressions matter. Ensure your attire is clean, tidy and professional.

☑ Bring copies of documents

Your interview invite will advise you of what documents you will be required to provide.
